Subject: Board Action Report – Notation Item 305

Date: June 10, 2004

On June 4, 2004, Notation Item 305, which would have designated recommendations 2002-04-I-MO-R8 through R10 (to DX Distribution Group) (from the DPC-Festus investigation) with the status of "Open-Acceptable Response," expired without definitive action. Three Board Members withheld their votes, pending further consultation with staff, so the item did not receive a sufficient number of votes to pass. Board Members' written comments have been forwarded to the appropriate recommendations specialist.
